End of Life and Discontinuation Policy

QuickBooks Payroll support has been a trusted accounting solution for millions of small

and medium-sized businesses. However, Intuit has officially announced that

QuickBooks

Payroll Support End of Life and online support will be discontinued on May 31 2026.

This

means after this date, updates, Payroll services, and dedicated customer support for this

version will no longer be available. This discontinuation directly impacts your ability to

process Payroll accurately and stay compliant with current tax regulations.

Understanding this transition is essential to prevent major disruptions to your accounting

operations and financial workflows. For immediate guidance and assistance, call

 888-370-0812.

What Does the Discontinuation of QuickBooks Payroll Support Mean?

The announcement of QuickBooks Payroll Support End of Life Discontinued means:

End of Automatic Updates – QuickBooks Payroll Support will no longer receive automatic

software or security updates.

Payroll Services Termination – Payroll services, including tax table updates, will stop

after discontinuation.

Customer Support End – Intuit support for QuickBooks Payroll Support will no longer be

available.

Security Risks – Without updates, the software becomes more vulnerable to security threats.

Businesses should start planning their upgrade strategy now to prevent interruptions.

Experts recommend creating secure backups of all company files before discontinuation.
