End of Life and Discontinuation Policy

QuickBooks Enterprise support has been a trusted accounting solution for millions of small

and medium-sized businesses. However, Intuit has officially announced that QuickBooks

Enterprise Support End of Life and online support will be discontinued on May 31 2026. This

means after this date, updates, Enterprise services, and dedicated customer support for this

version will no longer be available. This discontinuation directly impacts your ability to

process Enterprise accurately and stay compliant with current tax regulations.

Understanding this transition is essential to prevent major disruptions to your accounting

operations and financial workflows. For immediate guidance and assistance, call  888-370-0812.

What Does the Discontinuation of QuickBooks Enterprise Support Mean?

The announcement of QuickBooks Enterprise Support End of Life Discontinued means:

End of Automatic Updates – QuickBooks Enterprise Support will no longer receive automatic software or security updates.

Enterprise Services Termination – Enterprise services, including tax table updates, will stop after discontinuation.

Customer Support End – Intuit support for QuickBooks Enterprise Support will no longer be available.

Security Risks – Without updates, the software becomes more vulnerable to security

threats.

Businesses should start planning their upgrade strategy now to prevent interruptions.

Experts recommend creating secure backups of all company files before discontinuation.
