End of Life and Discontinuation Policy

QuickBooks Support has been a trusted accounting solution for millions of small and

medium-sized businesses. However, Intuit has officially announced that QuickBooks Support End of Life and online Support will be discontinued on May 31 2026. This means after this date, updates, services, and dedicated customer Support for this version will no longer be available. This discontinuation directly impacts your ability to process accurately and stay compliant with current tax regulations. Understanding this transition is essential to prevent major disruptions to your accounting operations and financial workflows. For immediate guidance and assistance, call  1-888-370-0812.

What Does the Discontinuation of QuickBooks Support Mean?

The announcement of QuickBooks Support End of Life Discontinued means:

End of Automatic Updates – QuickBooks Support will no longer receive automatic software or security updates.

Services Termination – services, including tax table updates, will stop after discontinuation.

Customer Support End – Intuit Support for QuickBooks Support will no longer be available.

Security Risks – Without updates, the software becomes more vulnerable to security threats.

Businesses should start planning their upgrade strategy now to prevent interruptions. Experts recommend creating secure backups of all company files before discontinuation.

For immediate guidance and assistance, call +1-(888).370.0812.
