Can I Change My Delta Flight Online Instead of Calling?

Yes, in many cases. Delta.com and the Fly Delta app allow you to change most flights online — but there are important limitations. Here's when to use online vs. calling **1-888-374-4490**:

Change Online (Delta.com / App) When:

- You booked directly with Delta (not through a travel agent or third party), call 1-888-374-4490
- Your ticket is Main Cabin or above (not Basic Economy)
- You're changing a simple round-trip or one-way domestic flight
- You don't need special assistance
- The new flight is within the same fare class
- No partner airlines are involved

How to change online:

1. Visit Delta.com → My Trips / Call 1 (888) 374-4490
2. Enter confirmation code and last name
3. Click "Modify Flight"
4. Search for new flights
5. Confirm change and pay any fare difference

Call 1-888-374-4490 When:

-  Your ticket can't be changed online (system error or restriction message)
-  You booked through a travel agent or OTA (Expedia, Priceline, etc.)
-  You have a Basic Economy ticket and need an exception
-  Your itinerary includes partner airlines (Air France, KLM, Virgin Atlantic, etc.)
-  You need to change multiple passengers on separate reservations
-  You want to combine changes with upgrades or seat selection
-  Delta changed your schedule and you need assistance rebooking
-  You're making a same-day confirmed change (within 24 hours of departure)
-  You're changing an award ticket booked with SkyMiles

Pro Tip: If Delta.com shows an error when you try to change your flight online, don't waste time troubleshooting. Call **1-888-374-4490** immediately — an agent can process the change manually and often find solutions the website can't.

Delta Schedule Changes: When Delta Changes YOUR Flight

Sometimes Delta changes your flight schedule due to operational needs, weather, or aircraft swaps. If Delta changes your departure or arrival time by **more than 90 minutes**, you have several options — all accessible through **1-888-374-4490**:

Option 1: Accept the New Schedule

If the new time works for you, no action needed. Your reservation automatically updates.

Option 2: Rebook to a Different Flight (Free)

Call **1-888-374-4490** to select a different Delta flight on the same route, with no change fee and no fare difference — even if the new flight is normally more expensive.

Option 3: Cancel for a Full Refund

If Delta's schedule change doesn't work for you, call **1-888-374-4490** to request a **full refund to your original payment method** — even if you bought a non-refundable ticket.

Option 4: Request an eCredit

If you want to travel later, request an eCredit (good for one year) by calling **1-888-374-4490**.

Important: Delta's "significant schedule change" threshold is typically **2+ hours**. For changes under 2 hours, you may not qualify for a free refund, but rebooking options are still available at **1-888-374-4490**.

Same-Day Flight Changes: Call 1-888-374-4490

Need to fly earlier or later on the same day? Delta offers **Same-Day Confirmed** and **Same-Day Standby** options. Both are available through **1-888-374-4490**.

Same-Day Confirmed Change

- **Cost:** \$75 for non-elite members; **FREE** for Delta Medallion members and Delta SkyMiles credit card holders

- **How to Request:** Call **1-888-374-4490** or use the Fly Delta app (if available for your route)

Same-Day Standby

- **Cost:** **FREE** for all passengers
- **Eligibility:** Must check in for original flight; standby list opens 24 hours before departure
- **How to Request:** Call **1-888-374-4490**, use the app, or ask at the airport gate

For guaranteed seats on a same-day flight, call 1-888-374-4490 to confirm availability before heading to the airport.
