What to Have Ready Before You Call

- Traveler age or date of birth
- Military ID, orders or proof of service
- Student enrollment proof
- Route and travel dates
- How flexible your dates are

With these details ready, call **+1-833-531-7842** to compare available KLM discount fares.

Are Discount Fares Always the Cheapest?

Not always. A sale fare can be lower than a senior, military or student fare on the same route, so compare both. Discount fares sometimes include extra baggage or flexibility, which can matter more than the base price. Whether you search for a KLM senior discount, military fare or student fare, compare the full price and the rules.

If you have a promo code or promotion code, or you are asking about senior citizen rates, student club offers, armed forces fares or other deals, compare them with the lowest available KLM fare before you book.

Types of Discount Fares to Ask About on KLM

Availability depends on the airline, route and fare.

Fare type	Who it may apply to	What to check
Senior fares	Travelers above an age set by the airline	Age proof
Military fares	Active duty members and families	ID or orders
Student fares	Enrolled students, often with an age limit	Proof of enrollment
Lowest available fare	Every traveler	Change and baggage rules
